The luxurious Atlantis restaurant will host MiraCosta's 1968 Bon Voyage Formal Dinner-dance, May 30, from 8 p.m. to 1 a.m. Those attending will dance to "Linda and the Centaurs" and choose a partner -at-Large this semester and held membership in the Young Republicans Club.

Bon Voyage Queen, to be elected by those students purchasing tickets, will reign over the formal affair. Her court will sit in attendance during the coronation.

"Bid sales have been going very well, far better than last year," commented a spokesperson for the Student Activities Office. Plans, decorations and arrangements were handled by the Campus Inter-Club Council under the supervision of Jim Corey, AS vice-president and ICC chairman.

"All indications look to the evening being a great success," said Corey. "We will have a good crowd and the accommodations are so nice that no one could fail to have a good time."

The staff of the Atlantis cooperated fully with the wishes of Corey and the ICC. The management even set up a dance scene for publicity pictures.

Last Year's Bon Voyage was held at the Shelter Island Inn in San Diego. This year's setting is nearby, on the north side of Point Loma. Bids can be purchased for $10 per couple. The fee includes both dinner and dancing. They will be available in the Student Activities Office through May 30.
