Hotel Del...
A Good Thing

Dr. MacDonald, Mr. Don Levine and all other individuals related to it this year. Pacific Studies should be commended for another successful program.

Once again the convocation has drawn an assorted group of individuals, representing city, county and state. Regardless of political views all had the chance to broaden their understanding of international relations.

It is difficult to gather so many people in one meeting place and yet hold them in extremely large colleges and universities. This fact was suggested by two of the speakers.

It is truly a feather in the cap of Miracosta, knowing that each year we draw speakers of top talent; speakers four year institutions have a very difficult time attracting.

Dr. MacHoncho, that's how I do it MacHoncho, that's how I do it. MacHoncho and leaned back in his chair. He said, "Well, don't you think it's time to do something about this?"

"It's true, you know," MacHoncho said, "but it's not my problem. I have other problems to worry about." He got up from his chair and walked over to the window. "I think I'll go for a walk," he said, "and think about this later." He opened the window and stepped outside. The wind was blowing strongly, and the rain was coming down heavily. "This is a terrible day," he thought, "but I have no choice. I must do this."

Mr. MacHoncho walked over to the door and headed towards the gymnasium. As he walked towards the door, he noticed a man sitting on the ground by the side of the road. The man was wearing a raincoat and holding a umbrella. Mr. MacHoncho approached the man and asked, "Are you all right? Do you need any help?"

"Yes," the man replied. "I'm lost. I don't know where I am."

"Don't worry," Mr. MacHoncho said. "I'll take you to the gymnasium."

They walked together into the gymnasium. As they entered, Mr. MacHoncho noticed a group of people sitting around a table. "Who are they?" he asked the man.

"That's the Miracosta County Board of Education," the man replied. "They are having a meeting."

"I see," Mr. MacHoncho said. "I'll go over there and see what they're up to." He walked over to the table and introduced himself to the members of the board. As he sat down, he began to listen to the discussion.

"We have a lot of problems," one of the members of the board said. "Our schools are in need of repairs, and our budget is low."

"I know," Mr. MacHoncho said. "I've been thinking about that."

"What do you have in mind?" the member asked.

"I think we should ask for more money from the state," Mr. MacHoncho said. "We need it to improve our schools."

"That's a good idea," the member said. "I'll bring it up at our next meeting."

Mr. MacHoncho walked back to the man who had been sitting on the ground. "Well, I think we've solved your problem," he said. "I'll take you back to your hotel."

"Thank you," the man said. "You're a real gentleman."

Mr. MacHoncho walked the man back to his hotel. As they arrived, the man thanked Mr. MacHoncho again.

"It was nothing," Mr. MacHoncho said. "It was my pleasure to help you."

Mr. MacHoncho walked back to his car and drove away. As he drove, he thought about the problems of the Miracosta County Board of Education. He knew that he would be back soon to help them solve their problems.

Barstow Nine Here For Double-Header

A hard-hitting crew of Vikings will be on campus to- 

tomorrow as Barstow College invades Spartan Field for a 

double header starting at 12 noon.

Coach Dale Fries, starting 

his first year at Barstow after a 

successful tenure at John F. 

Kennedy high school, has 

directed his club for two wins 

over Victor Valley (10-7, 4-3) 

and a 16-inning 7-7 tie-game 

with Mt. San Jacinto, called 

darkness.

Tuesday afternoon they hosted College of Desert and 

scored a 3-4 victory over their 

arch-rival to move into a 3-4 tie 

with Mt. San Jacinto for first 

place.

Coach Seeley next takes his 

Spartans on the road for a 

game with Mt. San Jacinto 

Tuesday and then travels to 

Victor Valley Friday for a 

double header with the Rams. 

The next Spartan home game 

will be against COD on April 8 .

Saturday, the MiraCosta 

baseball team has made a 

great start in Desert Con­ 

ference play.

In completing postponed 

pre-season contests the 

MiraCostans lost three 

of the four games played 

this week. Now they play 

Mt. San Jacinto for first 

place.

For Double-Header

Divoters Open DC Play Today

MiraCosta College golfers 

open defense of their two-year 

reign as Desert Conference 

champions when they meet Mt. 

San Jacinto today on the 

Massacre Canyon Country 

Club course in Hemet. They 

play a return match next 

Tuesday on the El Camino 

course.

The divot swingers warmed up 

for Desert Conference play 

by maintaining their hex over 

Palomar College when they 
downed the Comets Monday 38- 
16 on the Camino course.

Spartan Pat steeen was 

medalist, shooting a 75 on 

the par 72 course. Other Costan 

winners were Jerry Gahan, 

Bob Taylor and Mike Roston.

Thinline Cls Test DC At Relays

MiraCosta thinline will be doing a lot of running to and fro in 

the next two weeks. Tomorrow they hop to Victor 

Valley College for the first 

Desert Conference Relays. 

Next Saturday they pogo stick 

to Imperial Valley for their 

first dual meet with the Arabs, 

and during the Easter break, 

they hitch to Cerillos and to 

San Diego for relays.

Looking to the Desert 

Relays, Coach Earl Thomp­ 

son Jr. thinks "Larry 

Hollins could break the college 

high jump mark Saturday. 

The school mark is 6'4½", 

and Hollins went 6'4" at 

the Long Beach Relays. Even 

with a thin running corps, 

Thompson is optimistic about 

the relays Saturday.

Although cindermen are 

limited to the number of events 

they can enter, he hopes to put 

entries in the 440, 880, and mile 

and the sprint medley. 

The sprint medley will have 

Martin Nolasco, Larry 

Crayton, John Richardson, and 

Larry Renfro running for 

MiraCosta.

Coach Dale Fries, starting
