AMC Jack Lindsey, AMS Jack Lindsey, AWS Ruth Godinet

Four New Instructors

Join MCC Faculty

Five new professors have joined the faculty of MiraCosta this semester.
The have Mrs. Shirley Toorans, counselor and psychology teacher, Mr. Theodore Hansink, mathematics and drafting, Mrs. Arlene Lighthall, Spanish and world literature, and Mrs. Leland Russell, librarian.

Mrs. Toorans holds a Master's Degree in guidance and psychology from San Jose State and a Bachelor in social science from Hunter College, New York City.

Her professional experience includes three years as an NYC policewoman and correctional counselor. She also worked as an insurance investigator and as a writer for magazines and television.

Her credentials include six years teaching English and psychology on both the high school and college level. In addition she served as a counselor for two years at College of Redwoods.

Mr. Hansink's specialized talents paved the way for such lucrative employment as pyrotechnic specialist, in conjunction with the space program, at North America Rockwell Corp. He also served as a design engineer with Firestone Guided Missile Div. and as engineering field representative with U.S. Steel Corp.

He was also a design engineer for Hoffman Electronics and a member of the Board of Directors of General Engineering Corp.

He earned his Bachelor's degree in Vocational Education from Cal. State, Long Beach and is still a student.

A Master's in Geology from the U. of Houston and four yrs. experience teaching at Oceanview High School, lead the qualifications of Mrs. Anna Leeds. She has also taught Adult Education at O'side Evening School.

No stranger to MiraCosta is Mrs. Arlene Lighthall, who has been a member of the Board of Directors of General Engineering Corp.

A Teacher of social studies and English at Barstow High School for five yrs. and chairman of social studies for three years. Mr. Leland Russell holds a Masters in social studies from San Jose State.

For the last five years he was director of the Instructional Materials Center and librarian at Kennedy High School in Barstow.

NEW FACULTY — Five new professors are the newest additions to the schools faculty. Top L-R: Mr. Leland Russell, librarian; Theodore Hansink, mathematics and drafting. Bottom L-R: Mrs. Anna Leeds, reading; Mrs. Shirley Toorans, counselor and psychology; and Mrs. Arlene Lighthall, Spanish and World Literature.

Spartans Select

Student Leaders

Jack Lindsey and Ruth Godinet were elected AMS and AWS presidents, and Nancy Rice, Jeff Shimanoff, and Rusty Vardy were re-elected. The HOS president, Miss Godinet served as publicity chairman for the Afro-American Cultural Society, was a member of the AWS and Sinawiks, worked with the Charity Lau, food distribution and Bon Voyage last year.

She is interested in sports, art and dancing. Planning to attend UC at Santa Barbara next year, she hopes to pursue a career in the field of art or professional dancing.

Ruth, appointed as treasurer of the office, plans a social program, including a Halloween dance, backwards dance, semi-formal Christmas dance, an AWS Conference, AMS- AWS Week and bake sales.

Nancy Rice, 18, attended HOS last year where she was the ASB treasurer and the Speech Club Secretary. She received the DAR Citizenship Award, Most Service to School Award, and the Degree of Excellence.

She is currently in AWS and hopes to be on the yearbook staff. She ultimately hopes to teach in special education, preferably with the physically handicapped. Nancy hopes to link the wants and opinions of the individual students to the student leaders by getting out and talking to the students. She feels her best qualification is that she's genuinely concerned with the College and involvement is the key to success.

Jeff Shimanoff, 18, graduated from HOS last year where he was a member of the California Scholarship Federation.

His interests include playing the piano, and all sports, especially racing. He hopes to pursue a major in Theater Arts with a career of professional entertainment in mind.

Jeff hopes to represent the students by getting to know their problems.

Rusty Vardy, 18, graduated last year from HOS. He attended the Leadership Conference at Palomar Mountain and hopes to make use of what he learned there.

A Liberal Arts major, his interests include organ playing, body surfing and swimming.

Bottom L-R: Mrs. Anna Leeds, reading; Mrs. Shirley Toorans, counselor and psychology; and Mrs. Arlene Lighthall, Spanish and World Literature.
Apathy Week

One of the weeks that was. Please give your on time for class or participating in student activities be exiled for the duration of the week, preferably to some of outbreaks such as cheering at football games, showing up detracts from the spirit of the week by such obnoxious designated Apathy Week, set aside for the worship (or whatever) of inactivity and its attendant services.

On the one hand, the campus are allowed to have one week dedicated to them. On the other hand, a resolution for approval and ratification by the Senate:

Subject: Apathy Week

To: A.S. Senate

From: Chariot Senate

A day later, I found out that one band had been cancelled and that Sandy & The Classics were to entertain. Oh sure, someone had gone to the effort of getting a better band, but it told me that the Welcome Dance would probably be unorganized. Of course I was right.

The week of Oct. 6 - 10 be

" Be it therefore resolved that the week of Oct. 6 - 10 be

" Be it also resolved that during this week everyone will

" Whereas clubs and various other organizations on campuses are allowed to have one week dedicated to them.

" Be it also resolved that during this week everyone will do nothing for five whole days and get it out of their collective systems.

It is my opinion that everyone who violates or in any way detracts from the spirit of the week by such obnoxious outbreaks such as cheering at football games, showing up late and not to be considered as opinions of the Associated Students or the

Proposition No. 1: That swamp boats be offered for sale or rent through the book store. Students can split the cost and safely make their way from class to class.

Proposition No. 2: That special funds be offered for sale or rent through the book store. Students can split the cost and safely make their way from class to class.

Proposition No. 3: The Associated Students, using funds from the budget or from a special fund raised by the Associated Students, using funds from the budget or from a special fund raised by student activities, could finance and operate a ferry system offering continuous service among the campus centers.

Proposition No. 4: That through the efforts (and money) of the A.S., the school should purchase several dozen crocodiles, hippopotami, piranhas, and assorted river wildlife, and several surplus jungle river boats, and proceed to compete with Disneyland.

As you can see, the opportunities for turning this unpleasant situation are numerous. So are we going to sit back and let opportunity pour at our door? No! Let's start putting some of the opportunity pound at our door?'

By nature, guitarists are a creative lot. They realize that the key ingredients to good music are a willingness to learn, a lot of practice and a good instrument to learn on. This is where we can get together. If you've got the desire and the creativity, we've got the other element: the finest selection of quality guitars in North County. At the lowest prices. Our selection of fine instruments name brand instruments such as Martin, Gibson and Fender &

Announcement of several scholarships available to MiraCosta students was made this week by Dr. William Foran, Dean of Students. Applications for these stipends should be made no later than next Wednesday, October 1. Students are instructed to apply for scholarships in general, not a specific one.

There are two awards available from the Union Tribune Charities. The first is in the amount of $100 for an entering freshman with a GPA of 3.0. The second is for $200 to a student with a minimum of 30 college units completed with an overall GPA of 3.6.

Attention will be given to citizenship and financial need.

Available to a Police Science major is the Richard Bingham Memorial Scholarship in the amount of $50 per semester. Requirements include a GPA of 2.5 for high school and college work.

There are also several scholarships to be reassigned, including one offered by the Staff NCO Wives Club in the amount of $25 per semester.

There is a stipend which will be reawarded.

Did you like that picture in the Chariot today?

The CHARIOT will sell reproductions of all photos taken by staff photographers. The cost only 75 cents for an 8x10 copy. If you want the pie on the cover, it will cost more—$1.00!

So watch for that team pic, club shot or campus activity you want to keep for record. Pay at the Bookstore and bring your receipt to the Journalism Laboratory K-49 in the Library-Administration Center.

Hertweck To Float Around The World
By Roseanne Wilkerson

Dr. Romayne Hertweck is packing away his swim fins and water wings as he prepares to leave on the SS Ryndam to take part in the Chapman College World Campus Afloat next spring.

Dr. Hertweck and his wife will be leaving New York on February 3, with their first stop being in Honolulu, Hawaii. Yokohama, Kobe, Hong Kong, Bangkok, Port Swettenham, Colombo, Bombay and Mombosa, Dar es Salaam, Cape Town, Dakar, Casablanca, Seville and Lisbon are included on their itinerary.

Visiting Professor of Psychology will be the official title carried by Dr. Hertweck as he teaches classes and sponsors trips which have been arranged in port to take in the educational points of interest. His wife, a recent graduate of MiraCosta and experienced secretary, will accompany her husband on the trip as a secretary in the administrative office.

The calendar of events for this trip will be quite rigorous. Classes will be taught six days a week while they are at sea, none will be taught in port. Two to three days will be the usual amount of time spent in port, which will leave time for visiting friends or having a chance to look around.

We can rest assured that handouts will not be required of all those who are fortunate enough to be enrolled in his psychology classes.

YEAR'S Plan
First Meet

The MCC Young Republicans of MiraCosta are having their first meeting next Friday, in classroom D-2.

Included on the agenda are the election of officers, orientation of new members, and discussion of upcoming club activities.

All interested students are invited, regardless of their formal party affiliations.

MiraCosta's Spartans are looking for their first win of the football season when they tangle with the Antelope Valley Matadors tomorrow night at Oceanside's Simcox Field beginning at 8 p.m.

Last year, the Spartans humiliated the Matadors to the tune of 23-12, but the Matadors have changed leagues this season because of size and moved into the bigger tougher Western States Conference. Their move into the larger conference, as both defenses proved their worth.

During the MiraCosta vs. Palomar game last week, the Comets were penalized 30 yards and the Spartans were penalized 20. Costans intercepted 2 passes, one by All-State defensive halfback Eddie Johnson before the half ended and one earlier by one of the two new co-captains for this second cross-country season. They are Martin Nolasco and Harry Renfro, both sophomores at MCC and both from Oceanside.

Coach Tommy Thomson is giving the eight members of the MiraCosta Cross-Country team the run-around in practice this week for the official dual on Oct. 3 at Barstow. Coach Thomson also released the names of the two new co-captains for this second cross-country season. They are Martin Nolasco and Harry Renfro, both sophomores at MCC and both from Oceanside.

Spartans lose to Palomar 6-3, in last few seconds

By John Evanoff
Charriot Sports Editor

Becoming a spectator at a football game such as the one last Thursday evening between MiraCosta and Palomar, is not easy. It was referred to by area sports writers as the most exciting battle in its 22 year rivalry history.

Up to the last four minutes of the game, both sides pounded at each other's door, but the score remained 0-0. The pace was hectic.

MiraCosta coach Bill Corchran used the defensive squad to hold Palomar to a stand-still on eight separate occasions. But Spartan Willie Buchanan learned a lot about kicking the football, as Palomar's defense proved an obstruction also.

Finally, with 3:56 remaining in the game, Spartan Vic Gonzales recovered a Palomar fumble at the Comet 16.

MiraCosta hit hard to the four yard line, but was pushed back the nine. Everyone in the MiraCosta bleachers was standing and holding their breath, as Jim Burgess clamy kicked their hearts 26 yards end-over-end for a perfect field goal to make the score 3-0 in favor of MiraCosta.

With 1:17 left in the game, the Spartans kicked off short to the Comet 37. Two plays, 24 yards later, with 24 seconds left, the Palomar team was first and ten at the Spartan 38. One pass later, they were at the 31. Then came the bomb.

Was it or wasn't it a touchdown? Whatever it might have looked like from the sidelines, what mattered was that the referee was on the play. Comet Doug Blake was right at the end of the end zone, when he took a 12 yard desperation pass that bounced off his face guard and into his chest to wind up the game 6-3 in favor of Palomar.

The game was over, but MiraCosta was not without outstanding plays and players throughout the evening.

Twice in the four-quarter battle, MiraCosta's defense put the Spartan 4 in favor of Palomar. This was over, but MiraCosta was not without outstanding plays and players throughout the evening.
